1. Race Details

Each race will be for two (or exceptionally one) driver entries, open strictly by the invitation of Motor Racing Legends, to drivers of all nationalities holding the relevant race licence. (Minimum: National 'A' or International Historic for overseas races; National 'B' for a UK race).

Each race will feature a compulsory pit stop and driver change where relevant. All cars must be at rest for a minimum of 15 seconds during the pit stop – regardless of whether a driver change is to take place or not. Any car failing to make a pit stop will be excluded from the results.

2. Eligibility

Eligibility for each race is at the invitation of Motor Racing Legends. Cars are NOT required to hold a current FIA Historic Technical Passport.

Road Trim: Cars presenting at race meetings without wings and/or lights fitted may not be permitted to run

Tyres: Cars will be permitted to run on Dunlop 'R5' Section, or older tread pattern, in 204 compound, or on any other standard period road tyre. No car will be permitted to run wheel rim diameter of less than 18" (19" for some larger cars), unless it can be clearly demonstrated that smaller diameter rims were used in period.

Fuel: Cars are only permitted to run on standard pump fuel. Methanol will not be allowed in any circumstances. This regulation will be strictly enforced.

Sponsors'

Decals: Race numbers & roundels will be provided at each meeting. It is a condition of entry that sponsors decals, where provided, must be applied in the approved location.

In-Car Cameras: If fitted, no such camera may project outside the bodywork or be mounted on the outside of a roll cage. All such cameras must be installed prior to scrutineering where they will be checked for location and security.

Two-Driver Entries: Where two or more drivers have set a qualifying time in that car, both drivers must then drive that car in the race, unless previously agreed with Motor Racing Legends. Failure to do so may result in a penalty being applied.

3. Awards

Awards for first, second and third place overall will be presented on the Podium immediately following each race. Motor Racing Legends will present awards for each Class winner plus awards for 2nd and 3rd in class subject to entries received. In the case of a double-header, Class awards will be presented following Race 2.

Class results will be derived from the overall finishing positions and, subject to entries, cars will be divided into classes as follows:

Class PW1	Vintage Under 1501cc
Class PW2	Vintage Under 3001cc
Class PW3	Vintage Over 3000cc
Class PW4	Post-Vintage Under 1501cc

'Vintage' is deemed to run up to December 31st 1930.

Motor Racing Legends reserves the right to revise, delete or amalgamate any of the above classes, or introduce additional classes according to the entries received.
