All Vehicle Passes will be marked with the vehicle's registration number and will be invalidated if transferred to another vehicle.

Any road cars and other non-essential vehicles will be parked in the Competitors Car Park on the Tarmac Lake throughout the meeting. It is a very short walk into the paddock from here. Please be

aware that any road cars that may have been granted temporary access on Friday for setting up will not be re-admitted to the paddock during the weekend.

Any vehicles arriving prior to the Paddock opening times on Friday will be held on the Tarmac Lake until their Paddock is available.
