

RESUMPTION OF MOTORSPORT ON MSV CIRCUITS INFORMATION FOR ORGANISING CLUBS

MSV has implemented a range of procedures at its venues following the latest COVID-19 guidance provided by UK government. This summary explains the safety measures that will remain in place until further notice.

Organising clubs must ensure they fully comply at all times with the separate COVID-19 guidance issued by their relevant motorsport governing body.

MAINTAINING SOCIAL DISTANCING AND PARTICIPANT SAFETY

- Access to all working areas (e.g. paddocks, pit lanes and garages) will be limited to competitors, their essential helpers, club employees, MSV staff, officials, scrutineers, marshals, timekeepers and registered media. Non-working areas will not be accessible for the purposes of spectating at this stage
- MSV signage will inform participants of key messages and instructions, including what to do if they start to display any COVID-19 symptoms whilst at the venue
- It is the organising club's obligation to ensure that social distancing, PPE requirements and enhanced hygiene measures are reinforced across the nominated areas they are responsible for (paddock, pit lane, race control, medical centre, media centre etc.)
- One-way systems or closures may be implemented in narrow walkways at the venues
- Be advised that circuit management retain the right to pause or stop track activities if health and safety protocols (COVID-19 related or otherwise) are consistently breached
- Any concerns with regards to safety must be immediately reported by the organising club to the MSV duty manager
- Face coverings must be worn in all enclosed indoor areas

OVERNIGHT STAYS

- Overnight stays onsite are permitted for competitors and their essential helpers and those attending for work, including volunteer officials and marshals. Shared toilet and shower facilities will be subject to enhanced cleaning regimes

TOILETS AND SHOWERS

- We will be deploying enhanced cleaning measures and disinfecting high-frequency touch points
- Signage and floor markers will be in place to enable social distancing in queues

MOTORSPORT CAN ONLY OPERATE IF WE ALL OBSERVE COVID-SECURE MEASURES

- **Social distance requirement is still 2m**
- **Where 2m distancing is impossible take extra precautions**
(e.g. wearing a face covering)
- **Wear face coverings as required inside buildings**
- **Everyone must have a ticket prior to arrival at the circuit**
- **Essential personnel only – no spectators**
- **Two people per vehicle max on the pit wall or in the assembly area**
- **Bring the PPE and sanitising products needed to keep your team safe**
- **Wash your hands or use hand sanitiser regularly**
- **Clean common touch points regularly**

MSVR reserve the right to cease track activities if C-19 Protocols are consistently breached

COMPETITOR ADVICE

MSVR has put in place a number of changes to ensure we can operate our race events safely and enjoyably, whilst complying with Motorsport UK and government guidelines.

SIGNING ON

- All signing on for the event will take place online, ahead of the event
- The link will be available under the event information on the calendar page of the MSVR website
- The signing-on process includes your scrutineering declaration and part of your briefing (see below)

SCRUTINEERING

- As part of the signing-on process you will submit your car and safety equipment information, self declaring your compliance with Motorsport UK regulations
- This information will be passed to the Chief Scrutineer ahead of the weekend, and the scrutineers of the meeting will have the power to perform spot checks throughout the event, to ensure compliance with all relevant regulations
- Please remember that the standard Motorsport UK penalties continue to apply for non-compliance

COMPETITOR BRIEFINGS

- As part of the signing-on process you will go through a preliminary safety briefing. You MUST go through this from start to finish to complete the signing-on process
- You may receive additional briefing notes via your coordinator or the Clerk of the Course. Please ensure you are also familiar with these before your first session on circuit

RACE ADMINISTRATION

- No printed results or bulletins will be available to collect. The event page on the MSVR website will become a "virtual noticeboard" and should become your first port of call for event documentation
- Transponder hire will still be available but should be booked in advance with TSL – www.tsl-timing.com or 01827 285666

JUDICIAL GUIDANCE

- As a result of distancing measures, the usual judicial procedures have changed
- Detailed information is available from the Motorsport UK website – please ensure you are familiar with the new guidelines at www.motorsportuk.org/restart

VENUE RESTRICTIONS

- Pass numbers will be limited to assist with social distancing requirements and are for competitors and their essential helpers only
- The paddock(s) will be closed to non-essential personnel at all MSVR events until further notice
- Garage doors should remain open front and back when the garage is occupied
- Unfortunately there will be no podium ceremonies at MSVR events for the time being
- Other restrictions may apply at individual venues and must be complied with
- Face coverings are required to be worn as specified by current Motorsport UK guidelines
- Access to Race Control is restricted to essential personnel only

ADDITIONAL CONSIDERATIONS FOR TEAMS

- Teams must consider bringing the minimum number of people required to an event
- Teams are recommended to bring their own first aid kit, etc. to minimise the need to use the circuit medical resources
- Teams should bring adequate PPE for all personnel and retain a record of those attending the event

OTHER CONSIDERATIONS

- DO NOT visit the medical centre if you suspect you have COVID-19 symptoms. If you begin to feel unwell during the event, notify the organisers and leave the venue in line with government guidance.
- Restaurants/toilets/shower facilities will vary by venue – for the latest updates please check the circuit website
- Overnight stays onsite are permitted for those attending for work, the provision of voluntary services or any other recognised exemption under government guidelines. Shared facilities available will be subject to enhanced cleaning regimes. Under 16s are not permitted to stay overnight on site at this time
- Be advised that circuit management retain the right to pause or stop track activities if health and safety protocols (COVID-19 related or otherwise) are consistently breached
