### **Code of Racing Ethics (CORE)**

All drivers are expected to study, appreciate and uphold the Motor Racing Legends 'Code of Racing Ethics' and to acknowledge these values when participating in our races. The full CORE document can be found on the Motor Racing Legends website.

### **Race Details**

Each race will be for two (or exceptionally one) driver entries, open strictly by the invitation of Motor Racing Legends, to drivers of all nationalities holding the relevant grade of race licence (Minimum: Race Club for UK races, Race National or Race International D for overseas races). Exact details will be given in the SRs for each meeting.

Each race will feature a compulsory pit stop and driver change where relevant. All cars must be at rest for a minimum of 15 seconds during the pit stop – regardless of whether a driver change is to take place or not. Any car failing to remain stationary for the minimum duration will incur a Stop-and-Go penalty of 10 seconds plus the duration by which the stop was short. A solo driver can remain in the car during the pit stop. Any car failing to make a pit stop will be excluded from the results. Race starts will be rolling starts. Racing is permitted when the start signal is given.

Completion of an on-line briefing or attendance at a physical briefing is mandatory for all drivers and Motor Racing Legends must be notified if a driver is unable to attend a briefing due to a schedule clash.

Eligibility for each race is at the invitation of Motor Racing Legends. Cars are NOT required to hold a current FIA Historic Technical Passport (HTP).
