Race details

Each race be for two (or exceptionally one) driver entries, open strictly by the invitation of Motor Racing Legends to drivers of all nationalities holding a minimum of a Race National or Race International D race licence. Exact details will be given in the SRs for each meeting.

Each race will feature a compulsory pit stop and, where relevant, driver change. The car must be at rest for a minimum of 60 seconds during the pit stop. Any car failing to remain stationary for the minimum duration will incur a Stop-and-Go penalty of 10 seconds plus the duration by which the stop was short. Any car failing to make a pit stop will be excluded from the results. A solo driver can remain in the car during the pit stop. Any car failing to make a pit stop within the pit window will incur a Drive-Through penalty.

The starting grid for each race, or for race 1 in a double-header race will be made up according to the best times achieved during qualifying. In a double-header race the starting grid for race 2 will be derived from the finishing results from race 1. For double-headers, awards will be based on the combined results of both races. Race starts will be rolling starts. Racing is permitted when the start signal is given.

Cars may be held in Parc Fermé after any qualifying and/or race session.

Completion of an on-line briefing or attendance at a physical briefing is mandatory for all drivers and Motor Racing Legends must be notified if a driver is unable to attend a briefing due to a schedule clash.
